Casualties Of Credit The English

Casualties of Credit: The English Financial Revolution, 1620-1720 Hardcover – November 30, 2011

Casualties of Credit: The English Financial Revolution ...

Newton as mass murderer, therefore, created the first "casualties of credit." While Wennerlind is correct to chide economic historians for largely ignoring the economic complementarity between the recoinage of 1696 and the chartering of the Bank of England in 1694, handing out severe penalties for counterfeiting, or even for writing bad checks today, hardly began with Newton.

Carl Wennerlind. Casualties of Credit: The English ...

Possessed of a generally circulating credit currency, a modern national debt, and sophisticated financial markets, England developed a fiscal-military state that instilled fear in its foes and facilitated the first industrial revolution. Yet a number of casualties followed in the wake of this new system of credit.

CREDITS | meaning in the Cambridge English Dictionary

According to Dr. J. David Hacker, the traditional death toll of 620,000—which historians have accepted for more than a century—failed properly to account for several key factors, including the influx of immigrants into the armed forces, not to mention casualties among black women who found themselves victims of the onrush of war.
