Economics For Everybody Third Edition Answers
Economics for Everybody is really more than just an economics course: its economics meshed with Biblical theology and a smattering of history thrown in for good measure. This isn't your standard economics course. This course will teach you what the Bible says about economics and how we as Christians should view the subject.

Economics for Everybody Video Curriculum
Economics is too important to be left to the economists. Jim Stanford's Economics for Everyone has quickly become a standard reference for economics literacy and popular education. Now published in 6 languages, the book is used in higher education, trade unions, and community education initiatives around the world. This new second edition has been completely revised Read more
