The Evenflo Aura strollers and car seats are designed to be used together as a travel system, allowing parents to easily travel with a baby 1. The Aura stroller has many features parents can enjoy such as an oversized storage basket, one hand fold for easy portability, reclining seat and child's tray.

Directions for the Evenflo Aura Stroller & Carseat | How ...

Im trying to adjust the straps on my car seats because my babies have outgrown the first setting. I have detached the black strap tightener from the back and gotten the strap out of the first hole in it. Thats as far as Ive gotten. The folded part of the strap keeps getting stuck inside the tightener when I try to pull it out of the second hole.
