I Went Vegan for 30 Days. Health Results Shocked Me

The word vegetarian spelt wrongly. Someone who does not eat meat (dead animals) -which includes chicken and fish (plus all other seafood). Some people lie and claim to be vegetarians when they eat fish, but they are pescitarians. Not to be confused with vegan which is somebody that doesn't eat any animal products at all (meat or dairy).

Urban Dictionary: Vegetarian

everyone to "go vegan," according to the conventional view, institutional animal exploitation will end. But this seemingly simple logic is flawed. In fact, the concept of veganism is harmful to the animal rights movement. And if you are serious about working for animal liberation, the first thing you should boycott is neither meat nor dairy nor ...
