Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Its Easy Being Green A

For your business or organization, it's easy being green

Cannabis sustainability has a long, winding road ahead before perceptible change occurs and progress slowly begins. As a society, we are obsessed with "green," regardless of your definition: money, cannabis, recycling, or our politics. "Green is the new black," as the colloquial adage goes, and a black stain is exactly what the Cannabis industry is currently leaving in its massive wake.
