Phase One: Look, Listen, and Learn Often in design thinking, you'll see people start with empathy. While we included this in our LAUNCH Cycle framework, we chose to go broader. Sometimes it's a problem or a process that sparks the design process. Sometimes it's a great idea and only later does one think about the audience.

Look listen and learn from the agonies of the US people. Indeed, the record of our countries will tell us that, regardless of how a particular political moment may shape a judicial response, a reckoning will come at some point or the other. In some cases, these reckonings have been acknowledged by judges themselves.
