involves facing loss and damage and making efforts to repair and restore one's objects. Effective reparation involves a type and degree of guilt that is not so overwhelming as to induce despair, but can engender hope and concern.

## **Reparation - Melanie Klein Trust**

Joan Riviere opens this joint study with an analysis of hate, greed, and aggression, and in the second section Melanie Klein talks about the forces of love, guilt, and reparation. Tracing the impulses in question back to their origins in infancy, the authors point out many features of adult mental life which evidence the persistence of earlier modes of thinking.
