### Loving In The War Years

Weaving together poetry and prose, Spanish and English, family history and political theory, *Loving in the War Years* has been a classic in the feminist and Chicano canon since its 1983 release. This new edition—including a new introduction and three new essays—remains a testament of Moraga's coming-of-age as a Chicana and a lesbian at a time when the political merging of those two identities was severely censured.
