5 Clear Signs You Have A Narcissistic Wound To Heal ...

Narcissists respond to narcissistic injury as if it's a serious criticism, a total rejection, a definite threat to their very existence. The response is swift, intense and very often out of proportion. It is called narcissistic rage and can vary from totally ignoring the source to verbal and physical violence.

Narcissistic Injury Explained. Narcissistic Rage.

Narcissistic rage is a psychological construct that describes a reaction to narcissistic injury, which is conceptualized as a perceived threat to a narcissist's self-esteem or self-worth. Narcissistic injury is a phrase used by Sigmund Freud in the 1920s; narcissistic wound and narcissistic blow are further, almost interchangeable terms. The term narcissistic rage was
