In the Nights themselves, tales divert, cure, redeem, and save lives. Shahrazad cures Shahrayar of his hatred of women, teaches him to love, and by doing so saves her own life and wins a good man; the Caliph Harun al-Rashid finds more fulfillment in satisfying his sense of wonder by listening to

The Arabian Nights

It can be said that the answer to that question is both yes and no. It is apparent in *The Merchant of Venice* that Shakespeare's writing was strongly influenced by the society surrounding him while *A Midsummer Nights Dream* is much less realistic and so original that one might think he came from another time period all together.
